## 1. Introduction/Aim

At Pictor Academy we believe that regular school attendance is essential if children are to achieve their full potential. We value the attendance of all pupils. Missing out learning leaves children vulnerable to falling behind and can put them at risk of wider harm. There is a [wide range of evidence](#) as to the health and wellbeing benefits of school-age education. As set out in this policy, we will work with families to identify the reasons for poor attendance and try to resolve any difficulties at the earliest opportunity.

Our attendance policy aims to give clear guidance to staff, parents, pupils, and governors to:

- Support every pupil's achievement by establishing the highest possible levels of attendance and punctuality;
- Recognise the key role of all staff in promoting good attendance;
- Provide a clear framework for monitoring and responding to pupil absences;
- Make parents / carers aware of their legal responsibilities and ensure their children have access to the education to which they are entitled.

We recognise that attendance is a matter for the whole school community. Our Attendance Policy should not be viewed in isolation; it is a strand that runs through all aspects of school improvement, supported by our policy on safeguarding. This policy also considers the Human Rights Act 1998, the Equality Act 2010, UN Convention on the Rights of the Child, the DfE Keeping Children Safe in Education 2023 guidance, and other relevant legislation.

## 2. Legal Framework

Section 7 of the 1996 Education Act states that parents must ensure that children of compulsory school age receive efficient full-time education suitable to their age, ability, and aptitude to any special educational needs they may have, either by regular attendance at school or otherwise. A child is of compulsory school age at the beginning of the term following their 5<sup>th</sup> birthday. A child ceases to be of compulsory school age on the last Friday in June of the school year in which they reach the age of 16.

In line with '[Working together to improve school attendance](#)' the government expects all schools and local authorities to:

- Promote good attendance and reduce absence, particularly severe and persistent absence;
- Ensure every pupil has access to full-time education to which they are entitled;
- Act early to address patterns of absence.

Parents are expected to perform their legal duty by ensuring their children of compulsory school age who are registered at school attend regularly and punctually.

In accordance with the Education Act 1996, we will work with parents and carers and the Local Authority to ensure that parents are supported to secure education for children of compulsory school age. Where required, we will formalise support and where necessary, work with the LA to use legal measures.

A “Parent” is defined as:

- Any natural parent, whether married or not
- Any parent who, although not a natural parent, has parental responsibility as defined in the Children Act (1989) for a child or young person
- Any person who, although not a natural parent, has care of a child or young person.

### 3. Safeguarding

At Pictor Academy, we believe every pupil should be able learn in an enjoyable and safe environment and be protected from harm. We respect and value all children and are committed to providing a caring, friendly and safe environment for all our pupils so they can learn and participate in all school activities in a relaxed and secure atmosphere.

Attending school regularly promotes the welfare and safety of children whilst they are not in the care of their parents. Safeguarding is about offering early help and support to children and families

Safeguarding the interests of each child is everyone’s responsibility and within the context of this school; safeguarding and promoting the welfare and life opportunities for children encompasses attendance, behaviour management, Health and Safety, access to the curriculum and anti- bullying, protecting children from abuse and neglect, online safety, radicalisation and extremism, FGM and CSE.

More information on safeguarding and the protection of children can be found in the schools Safeguarding and Child Protection Policy.

In order to allow us to safeguard the children in our care it is important that parents provide the school with their current contact details and provide at least three other contact numbers in case of emergency.

## 4. Roles and Responsibilities

At Pictor Academy we believe that improving school attendance is everyone's business, and that it is a shared responsibility by governors, all school staff, parents, pupils, and the wider school community.

- Ensure that systems to report, record and monitor the attendance of all pupils, including those who are educated off-site are implemented.
- Ensure robust school systems are in place which provide useful data at cohort, group and individual pupil level to give an accurate view of attendance, reasons for absence and patterns amongst groups such as:
  - children who have a social worker including looked-after children
  - young carers
  - children who are eligible for free school meals
  - children who speak English as a second language
  - children who have special educational needs and disabilities

The Attendance Officer will work to further develop relationships with families to bring about improved attendance. This may involve seeking multi-agency support. The member of staff responsible for attendance will support good attendance, respond to concerns, and promote improvement in attendance by:

- Rigorously monitoring and analysing pupil attendance data.
- Undertaking attendance meetings with the Designated Safeguarding Lead, SENDCO, and other relevant staff members.
- Implementing the identified strategies for promoting excellent whole school attendance.
- Implementing the identified strategies for tackling unsatisfactory attendance.
- Managing individual pupil casework files.
- Coordinating individual attendance action plans for pupils causing concern including using the ESBNA tool kit to identify issues early on, the instigation of a Family Help Assessment and Plan and/ or the implementation of a parenting contract.
- Ensuring first day calling procedures are adhered to if a child is absent from school without contact from parents.
- Making referrals to appropriate external agencies.

### School admin/office staff will:

- Take calls from parents/carers about absence on a day-to-day basis and record it on the school system
- Transfer calls/information from parents/carers to the Headteacher in order to provide them with more detailed support on attendance

### Parents are expected to:

- Take a positive interest in their child's work and educational progress.
- Ensure their child is in school every day.
- Instil the value of education and regular school attendance within the home environment.
- Contact the school if their child is absent to let them know the reason why and the expected date of return, following this with a note of explanation.

- Ask the school for help if their child is experiencing difficulties with any aspect of their schoolwork or home and family life.
- Inform the school of any change in circumstances that may impact on their child's attendance.
- Support the school by becoming involved in their child's education, forming a positive relationship with school, and acknowledging the importance of children receiving the same messages from both school and home.
- Maintain effective routines at home to support good attendance.
- Attend all meetings requested to discuss attendance issues.

## 5. Categorising Absence and Attendance

When marking our registers, we will apply the national codes as outlined and regulated by the Department for Education guidance to accurately record and report attendance in [Working together to improve attendance \(May 2022\)](#).

### 5.1 Leave of Absence

Since September 2013, changes to Government regulations and guidance mean that Headteachers can no longer authorise leave of absence unless there are exceptional circumstances. All absences associated with a holiday (without exceptional circumstance) during term time will be marked as unauthorised in the register. Any parents known to have removed their child from school for the sole purpose of a holiday may be referred to the Local Authority and be issued with a penalty notice fine or referred to the Local Authority to consider prosecution if the leave of absence is unauthorised for 8 sessions (4 school days) or more. A penalty notice is issued to **each parent for each child**, the penalty being £120 per parent per child (discounted to £60 if paid within 21 days).

We believe that children need to be in school for all sessions that the school is open to them so that they can make the most progress possible. However, we do understand that there are times where a parent may legitimately request leave of absence for a child due to 'exceptional circumstances'. At Pictor Academy, leave of absence is only granted at the discretion of the Headteacher. Pictor Academy will respond to all applications for leave of absence in writing.

Parents wishing to apply for leave of absence during term time must apply in writing to the Headteacher at least a month before the planned leave. Other than in emergency, if a written request for leave of absence is not completed and the leave is taken without a request being submitted, the leave will not be considered by the Headteacher, and it will be marked as unauthorised. Pictor Academy will treat each application individually. Retrospective requests will not be considered and will result in the absence being categorised as **unauthorised**. In such cases the school may make a referral to the Local Authority to request that a penalty notice fine is issued or consider prosecution.

A penalty notice request or a referral for prosecution may be submitted to the Local Authority should: -

- The parent fail to submit a leave of absence request in advance of taking the leave.
- An application for a leave of absence is not agreed by the Headteacher but is still taken.
- A longer period is taken more than the agreed number of days.

When absence is granted by the Headteacher, the parents will need to agree a date of return. If a pupil fails to return on the expected date and contact is not received from, or made with the parents, school will seek advice from the Local Authority. This could result in possible children missing from education procedures being instigated.

## 5.2 Medical Appointments and absence due to illness

Parents should try to make appointments outside of school hours wherever possible. Where appointments during school time are unavoidable, we ask that a parent notifies the school in advance of the appointment wherever possible. The pupil should only be out of school for the minimum amount of time necessary for the appointment. In most circumstances, a child should not miss a whole day at school for an appointment. No pupil will be allowed to leave the school site without parental confirmation.

In the majority of cases, absences for illness which are reported following the school's absence reporting procedures will be authorised without the need for parents to supply medical evidence unnecessarily. In line with Department for Education guidance, if we do have a genuine concern about the authenticity of the illness, we may ask the parent to provide medical evidence, such as a prescription, appointment card, or other

appropriate form of evidence. If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised.

Where a child has an emerging a pattern of non-attendance, we will discuss the reasons for absence with the child's parent. We will invite parents to attend school-led Attendance Support meeting as an appropriate early intervention strategy. As part of this support, we may seek consent from parents and the pupil as appropriate to liaise with the child's healthcare professional.

Where a pupil has a verified and chronic health condition, we will aim to work with parents to ensure children have access to education and provide appropriate support in line with [Supporting pupils with medical conditions at school](#) and local authority policy [illness-and-your-child.pdf \(trafford.gov.uk\)](#) We will also consider whether an Individual Healthcare Plan is required.

### 5.3 Pupil Absence for the purposes of Religious Observance

Pictor Academy acknowledges the multi-faith nature of British society and recognises that, on some occasions, religious festivals may fall outside school holiday periods and is recognised as such by a relevant religious authority. Where this occurs, the school will authorise the pupil absence only for the actual day of the celebration/festival. Additional days either side will not be authorised. Parents are requested to give advance notice to the school.

### 5.4 Gypsy, Roma and Traveller pupils

Gypsy, Roma and Traveller (GRT) pupils are among the lowest achieving groups of pupils at every key stage in education, although some GRT pupils achieve very well at school. There are many complex and interwoven factors that may influence the educational attainment of GRT pupils. Schools and Local Authorities can make a big difference to their life chances through:

- Clear high expectation of all pupils, regardless of their background
- An inclusive culture that welcomes all communities
- Strong engagement from parents

In line with The Education Act 1996, Section 444(6) the school will authorise the absence of a pupil of no fixed abode who is unable to attend school because:

- the parent is engaged in a trade or business of such a nature as to require them to travel from place to place,
- that the child has attended at a school as a registered pupil as regularly as the nature of that trade or business permits, and
- if the child has attained the age of six, that they have made at least 200 attendances during the previous 12 months.

This provision applies *only* when the family are engaged in a trade or business that requires them to travel and when the child is attending school as regularly as that trade permits. In these circumstances, parents have a duty to ensure that their children are receiving suitable education when not at school.

When a family is trading or otherwise conducting their business in or around Trafford, if a family can reasonably travel back to their base school (see below) then the expectation is that their child will attend full-time. Pictor Academy will be regarded as the base school if it is the school where the child normally attends when they are not travelling. However, the pupil must have attended Pictor Academy in the last 18 months. Parents can register their children at other schools temporarily while away from their base school; in such cases, the pupil's school place at Pictor Academy will be kept open for them whilst travelling. This is to protect them from unfairly losing their place at their school of usual attendance.

To ensure we can effectively support all our pupils, we ask that parents:

- Advise the school of their forthcoming travelling patterns as soon as these are known and before they happen; and
- Inform the school regarding proposed return dates.

## 5.5 Unauthorised Absence

Absence will not be authorised unless parents have provided a satisfactory explanation and it is accepted as such by the school. The decision to authorise absences is at the discretion of the Headteacher. Examples of unsatisfactory explanations include but are not limited to:

- A pupil's/family member's birthday
- Shopping for uniforms
- Appointments for hairdressing
- Closure of a sibling's school for INSET (or other) purposes
- An unwillingness to attend school, or inability to attend owing to inadequate personal/family organisation
- A refusal to attend school on health grounds but where the pupil is considered well enough to attend
- Holidays taken without the authorisation of the school

## 6. Our Procedures

### 6.1 Register Keeping and Recording

The Education (Pupil Registration) (England) Regulations 2006, as amended by 2016 regulations, require schools to take an attendance register twice a day, once at the start of the morning session and then again during the afternoon session. The register must record whether the pupil was:

- Present;
- Absent;
- Present at approved educational activity; or
- Unable to attend due to exceptional circumstances.

For the purpose of this policy, the school defines:

“Absence” as:

- Arrival at school after the register has closed
- Not attending school for any reason

“Regular” attendance as:

- Attendance at every session the school is open to pupils

An “authorised absence” as:

- An absence for sickness for which the school has accepted the reasons given.
- Medical or dental appointments which unavoidably fall during school time, for which the school has granted leave
- Recognised days of religious or cultural observances for which the school has granted leave.
- An absence due to a family emergency or unavoidable cause

An “unauthorised absence” as:

- Parents keeping children off school unnecessarily or without reason
- Truancy before or during the school day
- Absences which have never been properly explained
- Arrival at school after the register has closed
- Shopping, looking after other children or birthdays
- Day trips and holidays in term-time which have not been agreed
- Leaving school for no reason during the day

## 6.2 Expected absence procedure for parents:

A parent has a legal responsibility to ensure that their child attends school regularly. If a child is unavoidably absent from school parents are expected to contact school by telephone call on the morning of the first day of absence and on each subsequent day, identifying the reason for absence and the expected date of return. If no contact is received, then absence protocols will be instigated.

If a child is absent, the following actions will be initiated by the school:

- The first day calling procedures will be activated for all pupils who are not in school after close of register and where no reason for absence is known.
- If there is still no contact made from the pupil's parents, a further telephone call home will be made again that morning. If no response can be gained, the child's named emergency contact/s will be telephoned.
- If school cannot contact a parent or other emergency contact and are concerned about a pupil, a home visit may be carried out.

In cases of ongoing attendance concerns, school may also:

- Visit the home of the pupil.
- Write to the parents of a pupil to highlight attendance or punctuality issues.
- Invite parents to discuss how school can support the family to make improvement.
- Refer to an external agency/ support service to offer support, guidance, and advice .
- Refer to the Local Authority for joint enquiries to be made to establish the whereabouts of the child through Children Missing Education procedures [Education of Vulnerable Children Handbook March 2023.pdf](#)
- Refer to the Local Authority to consider issuing a penalty notice or to consider prosecution when all other interventions have failed, or an unauthorised leave of absence has been taken.
- Refer the matter to an appropriate external agency for multi-agency support, such as implementing an Early Help Assessment **or consulting with the Children's First Response team or the police, where there are safeguarding concerns.**

### 6.3 Support Systems

At Pictor Academy we recognise that poor attendance can be an indication of other difficulties at home and or in school. Parents are encouraged to inform school of any difficulties or changes in circumstances that may affect their child's attendance and or behaviour in school, for example, bereavement, divorce/separation, emerging health concerns. This will help the school identify any additional support that may be required. Parents should contact Marisa Vazquez (family Support Worker [mvazquez@pictoracademy.org](mailto:mvazquez@pictoracademy.org)) to share concerns or information in the first instance.

We also recognise that some pupils are more likely to require additional support to attain good attendance. The school will implement a range of strategies to support improved attendance based on the individual needs and circumstances of the child.

To plan the correct support, we will always invite parents and pupils to attend a meeting to discuss the concerns and devise a plan to support the child's regular attendance. Support offered to families will be child-centred and planned in discussion and agreement with both parents and pupils.

## 6.4 Severe Absence, Persistent Absence and the use of Legal Interventions

"Severe absence" (SA) is defined as missing 50% or more of schooling across the year for any reason.. more than half of all school sessions missed.

"Persistent absence " (PA) is defined as missing 10% or more of schooling across the year for any reason. Over a full academic year this would be 38 sessions (19 days).

Absence at these levels can be extremely damaging to a child's educational prospects.

The attendance of all pupils at our school are monitored to identify children who are SA, PA, or are at risk of becoming PA. Where emerging concerns are identified we will instigate appropriate and timely interventions as outlined in the section above. Referrals may also be made to external agencies for targeted support.

## 6.5 Reduced timetables

All schools have a statutory duty to provide full-time education for all pupils and we are committed to every child's right to a suitable, full-time education offer. In very exceptional circumstances, we may decide to implement a temporary, reduced timetable to meet a pupil's individual needs and only where it is safe to do so.

A reduced timetable will not be treated as a long-term solution and will have a time limit by which point the pupil is expected to attend full-time or be provided with alternative provision. We will never put a reduced timetable in place without written agreement from parent/carer and/or other professionals working with the family as appropriate. This intervention will only be used as part of a comprehensive package of support for the pupil; it will be reviewed regularly in partnership with the child, parent and any other relevant professionals working with the family.

Pupils absent from school and receiving remote education still need to be marked as absent in the register.

## 6.6 Alternative provision

Where arrangements have been made for a pupil to attend alternative provision, school attendance staff will be notified and updated about any changes in the arrangements, so they can ensure the registers are marked accordingly.

Attendance staff and other relevant colleagues will communicate closely with the AP setting.

We will follow up with pupils and parents/carers on any attendance concerns, in conjunction with the AP.

If a pupil is only being offered part-time AP, school will ensure the pupil is offered additional educational provision, which together with the AP equates to a full timetable, unless there are exceptional reasons why not. Pupils will only be offered part-time educational provision for the shortest time possible and this will be regularly reviewed with the pupil and parents/carers with the aim of the pupil accessing fulltime education as quickly as possible.

### **Dual Registration and use of the D code**

If a pupil from the school is attending another state-funded DfE registered school, Pupil Referral Unit or Alternative Provision Academy, for part or all of their education, the pupil will be dual registered at this school (Dual - Main) and the other setting (Dual - Subsidiary).

If a pupil is attending an AP which is not a state-funded DfE registered school, Pupil Referral Unit, the pupil cannot be dual-registered.

When a pupil from the school is dual registered with another setting, we will ensure the pupil and parents are clear about the pupil's timetable; i.e. when the pupil is expected to attend the school or the other setting, and what the arrangements are for register marking, including the use of the D code. The school will also be clear which setting will be following up any absences. Where pupils are dual-registered, the AP should provide the school with attendance updates weekly, unless otherwise agreed with the alternative setting. However, if attendance and/or safeguarding concerns are identified at any point, the AP is expected to raise these with the school immediately, and a course of action will be agreed in writing between the school and the AP.

A dual registered pupil must not be removed from either setting's roll without the agreement of the other setting.

### **Off-site educational activity (B code)**

If a pupil is attending an AP setting which is not another school or Pupil Referral Unit for part or all of their education, the school will mark the sessions which the pupil attends the alternative setting as code B (off-site educational activity). The school will

mark any sessions attended at the school with the relevant present code, and any absences with the relevant absent code. Such APs should provide attendance updates daily, unless otherwise agreed, so the school can mark the register accordingly.

Unless otherwise agreed with the AP, the AP is expected to notify the school by 10.00am on the morning of any individual pupil absences, to ensure the school is made aware of any attendance concerns as soon as possible and takes follow up action as necessary.

If attendance and/or safeguarding concerns are identified at any point, the AP is expected to raise these with the school immediately.

## 7. Deletions from the Register

At Pictor Academy we will only delete pupils from our school roll in line with the Pupil Registration Regulations. In most circumstances, we will know in advance about pupils leaving our school; this will be planned and discussed with the parent in advance of the pupil leaving. At Pictor Academy we will always work with families to gain information about the pupil's next school and/or address before the pupil leaves to reduce the risk of pupils becoming a child missing education through lack of shared information.

We follow Trafford Council's Child Missing Education procedures and will ensure the Children Missing Education Team are informed of all removals from our school roll no later than the date the child is removed in line with statutory responsibilities. Where the location of a pupil is unknown we will liaise with Trafford Pupil Absence Team so that joint reasonable enquiries can be made to ascertain the child's whereabouts and the pupil will remain on roll until those enquiries are exhausted.

Pictor Academy will follow Trafford Council's [Children Missing Education procedures](#) when a pupil's whereabouts is unknown, and the school will carry out joint enquiries with Trafford Council to establish the whereabouts of the child.

### **‘On the day’ absences: what should I do if my child is not ‘fit’ to go into school?**

On each day your child is unfit to come to school, please report this absence by telephoning school reception on 0161 5323252 to let us know. In the message you must leave your child’s full name, class group and give the specific reason for absence. The information you give will be recorded on our official register.

### **Leave of Absence**

There may be exceptional circumstances where you need to request a leave of absence for your child. Please use our ‘Leave of absence request’ form to make these types of requests. The form should be submitted in advance of the leave of absence. You will receive a letter in response, to advise if the request has been granted or declined.
